Organizers are responsible for the coordination, moderation and the content of the workshop.

You may apply for either a half-day or a full-day workshop.

Experiences from other conferences show that the best format is to have coherent grouping of short talks and plenty of time for discussions (e.g. 30 min talk + 15 min questions), but feel free to choose a format you think is best for your workshop. The only thing you need to integrate in your schedule is the lunch break (12:15-14:00) and the coffee breaks (10:45-11:00 and 15:45-16:15).

Note: The workshop is self-supporting, but workshop organizers and speakers are offered free workshop registration and reduced fees for the main conference.
